## Customer Reviews

This book is very easy for beginners. The font size is large enough and words are easy to pronounce. The book is however very short.

Got this for my 4 year old granddaughter. The illustrations and wording made it easily understood by her. We love it!

Got this for my 3 year old, and it was perfect. The illustrations and wording made it easily understood by her.

Easy for my kids to read & understand. Kids enjoyed the picture was well. Will buy some more of

these books.

Again, I love this line of books - "I Can Read" books. They are reading level obtainable and are simple enough to be understood at the level your reading child is. The pictures are colorful and words understandable. I use them in a mixed age beginning Sunday School class. The children really like to see them.
