Bones Of Faerie: Book 1 (The Bones Of Faerie Trilogy)

Synopsis

The war between humanity and Faerie devastated both sides. Or so 15-year-old Liza has been told. Nothing has been seen or heard from Faerie since, and Liza's world bears the scars of its encounter with magic. Trees move with sinister intention, and the town Liza calls home is surrounded by a forest that threatens to harm all those who wander into it. Then Liza discovers she has the Faerie ability to see "into the past, into the future" and she has no choice but to flee her town. Liza's quest will take her into Faerie and back again, and what she finds along the way may be the key to healing both worlds. Janni Lee Simner's first novel for young adults is a dark fairy-tale twist on apocalyptic fiction "as familiar as a nightmare, yet altogether unique. From the Hardcover edition.

Book Information

Lexile Measure: 670 (What's this?)

Series: The Bones of Faerie Trilogy

Paperback: 256 pages

Publisher: Random House Books for Young Readers; 1 edition (January 26, 2010)

Age Range: 12 and up

Grade Level: 7 and up

Customer Reviews

Overall, this book was a great story filled with adventure and the price we're all willing to pay to survive. The writing at times got irritating due to its repetitive nature. For example, on one single page I read: "and I looked in the mirror and saw--""I screamed, and I screamed I saw--""I fled from him, and as I fled I saw--"I shut my eyes, and behind closed lids I saw--"This sort of pre-vision

dialogue certainly became noticeable and therefore irritating, and distracting. The imagery throughout the book is well written and familiar. For example I loved, "Oak and maples and elms all reached toward the rain, sighing happily as water soaked through their leaves and into their roots."The plot moved, though sometimes slow. The beginning started off right, fact-paced and exciting, the middle, during the journey outside, it all became slower. The end, again, picks up leaving you on the edge of your seat and rooting for the characters. Throughout the whole book you feel for Liza and you keep hoping she finds what she is looking for, physically and emotionally. The characters, all, are well defined and concrete though, not to say that they are perfect. I am left at the end wanting to learn more about Tara, Caleb, Kate and Matthew's history. I feel like I still don't know enough about them. For the story itself--good enough. For me and my overzealous imagination--I wanted to know everything. Liza is such a strong character, so kind and caring and passionate. But above all else she is majorly self-sacrificing, which is a wonderful point for young girls to take away from the book. Allie, the young, sweet healer, is a reliable friend and a deeply caring individual filled with unconditional love. Yet, she's smart and knows her limits.
