The Oxford Handbook Of Quaker Studies (Oxford Handbooks)

Synopsis

Quakerism began in England in the 1650s. George Fox, credited as leading the movement, had an experience of 1647 in which he felt he could hear Christ directly and inwardly without the mediation of text or minister. Convinced of the authenticity of this experience and its universal application, Fox preached a spirituality in which potentially all were ministers, all part of a priesthood of believers, a church leveled before the leadership of God. Quakers are a fascinating religious group both in their original "peculiarity" and in the variety of reinterpretations of the faith since. The way they have interacted with wider society is a basic but often unknown part of British and American history. This handbook charts their history and the history of their expression as a religious community. This volume provides an indispensable reference work for the study of Quakerism. It is global in its perspectives and interdisciplinary in its approach whilst offering the reader a clear narrative through the academic debates. In addition to an in-depth survey of historical readings of Quakerism, the handbook provides a treatment of the group's key theological premises and its links with wider Christian thinking. Quakerism's distinctive ecclesiastical forms and practices are analyzed, and its social, economic, political, and ethical outcomes examined. Each of the 37 chapters considers broader religious, social, and cultural contexts and provides suggestions for further reading and the volume concludes with an extensive bibliography to aid further research.

Book Information

Series: Oxford Handbooks

Paperback: 672 pages

Publisher: Oxford University Press; Reprint edition (November 1, 2015)

Language: English

ISBN-10: 0198744986

ISBN-13: 978-0198744986

Product Dimensions: 9.6 x 1.5 x 6.7 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #1,015,820 in Books (See Top 100 in Books) #141 in [Books > Christian Books & Bibles > Christian Denominations & Sects > Protestantism > Quaker](#) #1662 in [Books > Religion & Spirituality > Religious Studies > Sociology](#) #3057 in [Books > Textbooks > Humanities > Religious Studies > Christianity](#)

Customer Reviews

This is a unique book because it draws from the research of so many different scholars of Quaker Studies. It offers something that no other book can offer, if it is what you are looking for.

Thorough, comprehensive, helpful for the research I continually need to do for Quaker studies.

Received quickly, in good shape, meet expectations for required textbook for History of Quakerism coursework. Thank you, and will keep this one.
