Summer Olympics: The Definitive Guide To The World's Greatest Sports Celebration

Synopsis

Created by an award-winning author-and-illustrator team, Olympics sets the stage with facts, articles, and essential background information across the complete range of Olympic summer competition. Every aspect of the summer games is covered, including their history, the bidding process, training and qualifying, and life in the Olympic Village. Coverage of the events themselves captures the exhilaration of competing at the pinnacle of world sportsâfrom explosive sprints and the grace of gymnastics to the proving grounds of endurance, the marathon and triathlon, and everything in between. In addition, special spreads celebrate the great summer Olympics, from Stockholm 1912 to the record-breaking games of Sydney 2000. Olympic achievements are highlighted at the back of the book, bringing to life the great rivalries and honoring those competitors who battled adversity to shine on the world's stage.

Book Information

Hardcover: 80 pages

Publisher: Kingfisher (June 10, 2004)

Language: English

ISBN-10: 0753456931

ISBN-13: 978-0753456934

Product Dimensions: 10.9 x 8.6 x 0.6 inches

Shipping Weight: 1.5 pounds

Average Customer Review: 5.0 out of 5 starsÂ See all reviewsÂ (1 customer review)
